Background and Capabilities

Schuman's Cleaning Service, Inc (SCS) was founded in 1985 by Heath Schuman. Through the years, SCS has diversified just enough to offer builders and homeowners a comprehensive list of professional cleaning services while still maintaining its core business and personal attention.

With experience in all areas of construction, our staff can assist you in various types and sizes of projects. From multi-level apartment complexes and hotels to restaurants, schools, and shopping centers, SCS has the experience and staff to ensure you meet your timelines.

SCS staff are not only extremely skilled with new projects, but are trained so that when the need arises to work around customers, students or in a home due to renovations or repairs, you can be confident they will handle themselves with polish and professionalism.
